NO SCHOOL DISTRICT-WIDE CHRISTMAS HOLIDAY				Return to School Monday January 6, 2020 Happy New Year!

December 1, 2019

Dear Lincoln Community,

It's hard to believe that December is here! I sincerely hope that you all enjoyed your Thanksgiving Break, and get to spend some more quality time with family and friends over the upcoming Holidays. Before you know it, we'll be welcoming 2020! When we dismiss for Christmas Break on Friday, December 20th, we will have nearly completed half the year. Following are a few topics I'd like to share with you.

What does the staff do on those early release Fridays?

Every other Friday, when we send your kids home at 1:45, our day continues until 4:00 p.m. Some of those days are driven by building-level training, while others are led by district administration. Here are a few of the things we've been working on during that time:

- Training and collaboration to effectively blend the use of mobile devices into classrooms.
- Review of our district's safety procedures - Standard Response Protocol.
- Discussion w/ our Assistant Superintendent about the use of assessment in the classroom.
- Learning how the Skills & Traits our district leadership has identified as crucial for our high school graduates applies in the elementary setting.
- Participating in training that addresses the social-emotional needs of our students.
- Looking at our school's mission and vision and planning for the future.

What's coming up in January for Lincoln?

After enjoying what will no doubt be a well-deserved two-week break, our staff will become very focused on the second half of the year and ensuring the students are equally focused on their academics. This will be a time when students will begin learning the final content before we begin state testing in April. Please make sure you are up to speed with the happenings in your student's classroom, and don't hesitate to reach out to us if you have questions.

Thanks for reading,

Garrett Olguin, Principal

Christmas Craft Day (8:45am-12:00 pm)
Christmas Parties (1:15-1:45pm)

We will be celebrating the holiday season with some fun "Christmas Craft Day" activities and Christmas parties! A rotational schedule to multiple classrooms will occur in the morning. Students in all grades will be mixed in order to strengthen our K-5 culture. Typically, this is a very fun experience for both students and staff.

Christmas parties will occur from 1:15-1:45 pm. (Unless otherwise stated by classroom teacher) Approved volunteers, through the office security system, may join the Christmas parties. Interested volunteers should notify teachers at least 24 hours in advance of the parties. Stay tuned for further details about this fun filled day !
