GRADE POINT AVERAGE, CLASS RANK AND GRADUATION WITH HONORS:

- Grade point average is based on the following scale as of the 23-24 school year: A = 4; B = 3; C = 2; D = 1; F = 0. Honors and concurrent enrollment classes: A = 4.5; B = 3.5; C = 2.5; D = 1.5; F = 0. AP classes: A = 5.0; B = 4.0; C = 3.0; D = 2.0; F = 0. Grade point average in all previous school years is based on the following scale: A = 4; B = 3; C = 2; D = 1; F = 0. Honors and AP classes: A = 5; B = 4; C = 3; D = 2; F = 0. Grades for internships & assistantships are Pass/Fail (P/F). A student may be issued P/F grade in an academic course if that has been so designated on his/her Individual Educational Plan. Pass grades are not calculated into the GPA.
- CCHS DOES NOT have a class ranking system. CCHS can provide student rank to higher education institutions and scholarship committees and are offered in a percentage group (top 5%, top 10%, etc.)
- At Cañon City High School, we believe it is important to recognize and honor excellence and integrity. Therefore, students may apply for graduation with honors. Criteria for achieving distinction are determined by course work, grade point average, test scores, and academic integrity. Students may apply to be considered for honors in overall academics and/or content areas.

CONCURRENT ENROLLMENT (CE):

Cañon City High School has partnered with Pueblo Community College for all concurrent enrollment curricula. We strictly follow their course guidelines and teacher accreditation process. When possible, all honors courses are combined with a concurrent enrollment curriculum. Over ninety percent of seniors will graduate with at least one CE credit.

CAREER PATHWAYS:

Beginning with the Class of 2021, during their freshman year, students embark on their quest to select a Pathway to help them prepare for their college or career choice. Upon declaration of a Pathway, Cañon City High School students are then scheduled into a supporting curriculum (i.e., classes aligned to support the career path of their choice) throughout the remainder of high school.

PROFESSIONAL AND INTERNSHIP COMMUNITY EXPERIENCE (PaICE):

One hundred percent of Cañon City High School students will participate in internships or work for pay and earn credit. This cooperative work-based learning program gives students a chance to gain sixty hours of first-hand experience in a career interest area, gain confidence in their abilities, gain skills and experience, and learn how to balance school and work.

CAPSTONE:

Starting with the Class of 2021, students must complete a Capstone Project as a graduation requirement. The Capstone project is a multifaceted graduation requirement that challenges them to think critically, solve challenging problems, and develop life skills. Projects are interdisciplinary, requiring students to apply skills across many subject areas. These projects encourage students to connect to the community and to integrate learning experiences.

CAÑON CITY HIGH SCHOOL HIGHLIGHTS AND ACCOMPLISHMENTS:

- 1. CCHS leads the state in per capita concurrent enrollment accomplishment.**
- 2. CCHS won the 2019 Colorado Succeeds Award.**
- 3. The Colorado Education Initiative selected CCHS as a model school for its innovative approach to Pathways, Internships, and Capstone.**
