- The portrait may be color or black/white. Portraits will appear in color, but you still may submit a black and white photo.
- 5. DIGITAL PHOTO FILES** are preferred. Bring the file to Mrs. Mulso on a jump drive or e-mail it to ashley.mulso@canoncityschools.org in JPEG OR TIFF format. **Please make sure you receive a confirmation email to ensure that I got the photo. I will email you back to confirm**
- 6. WE CANNOT ACCEPT photos you printed on your home printer or took with your cell phone.** They are not up to publishing standards and will not reproduce at an acceptable quality. **ALL PHOTOS MUST BE AT LEAST 500KB.** To make sure your picture is large enough, right click on to file and go to properties. - Late submissions **ARE NOT GUARANTEED TO BE INCLUDED IN THE YEARBOOK.** It totally depends on whether or not the page on which your photo should appear has already been finalized and sent to the publisher.
- Mrs. Mulso reserves the right to refuse any photo that does not meet the criteria listed above or in any way compromises the integrity and standards of the yearbook. Questions? – See Mrs. Mulso in Room 102 or e-mail her at ashley.mulso@canoncityschools.org.

Dear Seniors,

This is the last and the most important year of your high school career. Being a senior means getting senior photos taken to remember this huge milestone. The yearbook staff urges you to get your photos taken ASAP. Waiting until the last minute could result in not getting your photos in on time for the deadline (**BEFORE January 30, 2022**). There are several photographers who have supported our yearbook, and we would like to recommend them to you! Of course, you can have anyone take your pictures, but photos by professionals always look the best. No matter who takes your pictures, please follow the guidelines on the back when submitting your photo to the yearbook.

We hope you're looking forward to your senior year.
