PRINCIPAL'S MESSAGE

Tiger Family,

This year's Capstone season was the best ever! Our juniors and seniors completed projects that bettered our community and supported their own futures. I am proud of the effort and learning that went into each process. The winners of the Capstone Competition are. Way to go, Tigers!

- 1st Place (\$4,000) = Reagan Deist
- 2nd Place (\$3,000) = Emily Meuli
- 3rd Place (\$2,000) = Toni Carocho
- 4th Place (\$1,000) = Cayda Johnson

CTE NEWS FLASH!

CARPENTRY

Carpentry students traveled to Colorado Springs to the Penrose St. Francis Hospital campus and selflessly donated a whole day of work to help complete many different tasks in the 16-suite Hotel/Guest House. Families with babies in the NICU unit for extended amounts of time or with family members who, due to terrible circumstances, have to stay in the hospital for weeks or months at a time free of charge. Students partnered with Vanguard Homes as well as GE Johnson and HBA Cares to help start putting the finishing touches on this wonderful resource. All students' names will be put on a bronze plaque out in front of the guest house so that their contribution will be known for years to come.

SKILLS USA WELDING

Congratulations to Quentin Gilbert, Matt Harms, Eason Schechter, and Mr. Vinci who won the Skills USA Welding regional championship. They will compete at the State Championships in Pueblo, Co. April 9-11th.

PROSTART

Mrs. Weber's ProStart class was featured on the Daily Record Facebook page for their field trip to Greener Pastures. Check it out [here!](#)

These individuals participated in the CHSAA Winter Summit at Douglas County High School on Friday, February 16th. Participants listened to a keynote speaker, attended student-led sessions, and shared ideas related to youth leadership. The Colorado High School Activities Association hosts this annual event to help young adults implement new leadership techniques in their high schools.

Students are crushing their Capstone by learning to repair bicycles with their mentor!

Mrs. Weber's class journeyed to the local meat processing plant to learn the art of butchery. How many of you wish you had this knowledge while visiting the grocery store?
