CCHS Mission Statement
ALL Canon City High School students will have opportunities to explore career pathways of interest while gaining skills needed to be successful in any life endeavor, and while enjoying many traditional high school experiences valued by students and the greater community.

From the Desk of Bill Summers, CCHS Principal...

Dear Parents and Guardians,

As we move into the holiday season and wrap up the first semester, staff at CCHS has been extremely productive in making changes to support the learning at our school. Work sessions and Saturday sessions have helped improve the grades of more than half of the students in attendance. Our failure rate has improved by 40% and this means that fewer students will need to repeat courses, opening up teacher availability to teach new courses and reduce student-teacher ratios.

Further, we've been approved to move our a schedule next year to a 5-block semester schedule. We currently use a 4-block semester that offers students 32 courses to attain 25 graduation requirements over four years of high school. The new 5-block schedule will lower class times from 90 minutes to 75 minutes, but it provides 40 opportunities to earn 32 graduation requirements and brings CCHS in line with most other high schools across the state. Students can expect to begin scheduling their 5-block schedules beginning in January of 2017 for the following school year.

We will offer several new options next year for course selection. Those courses are under development, and we will decide which selections will be offered before the end of the calendar year. Some exciting opportunities being considered are a video and film analysis course, an additional computer science class, a Spanish class for the workforce, and year-long freshmen English to help students cement their reading and writing skills prior to moving through their high school careers.

Finally, CCHS will provide an alternative high school course beginning next year for a select few students. The school will hold an application process to select which students are able to attend this non-traditional high school venue. Its curriculum will include online opportunities as well as classroom instruction, a non-traditional daily schedule, and a community service project that will lead to graduation requirement completion. More to follow.

I wish the families of CCHS an enjoyable holiday season and the most amount of success possible for their student's education. Please let me know what we can do to enhance your experience at the high school.

Respectfully,
Bill Summers

When you call the attendance line...

PLEASE SPELL YOUR STUDENT'S FIRST AND LAST NAME.

719-276-5870 ext. 2or 9

When reporting a partial day absence, please state the time when the student will be out of school – NOT THE BLOCKS, for example, 9:00 am to 10:00 am – NOT 2ND AND 3RD BLOCKS. We have various schedules for different days.

If a student will miss part of a school day, please have the student deliver a parent's note to the attendance office before school begins or call a few hours ahead on the day of (or day prior to) the appointment. This way, students will be ready to leave on time and will have a permit to leave class and the building. Parents cannot expect students to be ready to leave in a timely manner if no advance warning is given.

Please make every effort to refrain from picking up your student from 2:40 to 3:00 pm. This office is inundated with calls and activity at this time. Thank you.

Financial Aid & the FAFSA

Seniors and their parents apply for financial aid by filing the FAFSA (Free Application for Federal Student) as soon after January 1, 2017 as possible.

We recommend doing the FAFSA on line at www.fafsa.ed.gov

Filing the FAFSA in January requires PIN numbers by the student and parents, which can be obtained anytime at www.pin.ed.gov

Some private colleges require the CSS profile as well, which is available at www.collegeboard.com

For assistance with this process, FAFSA provides a help center at 1-800-4-FED-AID.

Parents are welcome to join their student for the senior interview, please call ahead to schedule this meeting.

College applications are available in the Guidance Office or at collegeincolorado.org for most Colorado colleges and universities. **Completed applications and fees should be returned to the student's counselor to be mailed with an official transcript. Be aware of deadlines!** Each student can receive five free copies of transcripts. Additional transcripts are \$2.00 each. If "official" copies are not needed, students are encouraged to make copies on their own. Seniors needing letters of recommendation are encouraged to obtain those letters from teachers, counselors and/or employers in advance to prepare for scholarship requirements. You may get resume forms in the Guidance Office.

Students are encouraged to visit colleges they are interested in attending. Parents should notify the Office prior to the college visit to set up a pre-arranged absence. Upon return, the student must bring documentation from the college for the absence to be excused. Various colleges schedule days at CCHS to meet with small groups of students. To attend one of these meetings, listen for announcements and sign up in the guidance office; you will need a pass to attend.

In April, the *Daily Record* and *Cañon Shopper* gather information for their annual graduation inserts. The school provides a graduate list and the school portraits taken for ID/yearbook pictures. TIGER "SOURCES OF STRENGTH" AT CCHS

Sources of Strength is an upstream approach to suicide prevention program being taken on by students and staff in Canon City High School. Through building resilience, increasing connections and trust towards adults, increasing help seeking, developing and enhancing protective factors and breaking down codes of silence; we are able to reduce the number of people who fail to recognize where to get help and strength from themselves and others during tough times.

The Mission Statement for Peer/Adult Leaders of Sources of Strength

"We are a diverse group of **students and adults** from many different corners and cultures of our school and community. We believe that life has ups and downs, that all of us will go through good times and tough times. Our mission is to ensure that during the rough times no one gets so overwhelmed or hopeless that they want to give up.

Our mission is to spread **Hope, Help and Strength**

Into every corner of our community.

Our mission is to help students and staff turn to their strengths and their supports that are all around.

We are **Connectors** to Help and Strength.

Our mission recognizes that our voice has great power and we use it to **BREAK THE SILENCE** when someone is struggling, and to connect them to the help they need and deserve.

We **Spread Hope** by focusing on stories of strength, rather than on stories of trauma. We know our most powerful impact comes from our personal actions, conversations, and messages that use our music, our art, our writing, our activities, our social media, our culture, and our voice. This gives life to our efforts.

WE ARE SOURCES OF STRENGTH

Developing Digital Citizens at Home

The internet is a wonderful place for learning and entertainment. However, like the world around us, it can pose dangers to your child, your computer and your personal data.

HELP YOUR CHILDREN BE GOOD DIGITAL CITIZENS

Remind your children to be good digital friends, by respecting personal information of friends and family, and not sharing anything about others that is potentially embarrassing or hurtful.

EXPLAIN THE IMPLICATIONS

Help your children understand the public nature of the internet. Explain the risk and benefits. Emphasize any digital information they share such as emails, photos, or videos, can easily be copied and pasted elsewhere, and is almost impossible to recover. Digital information has the possibility of damaging your reputation, friendships and future prospects.

REMAIN POSITIVELY ENGAGED

Know the online environments your children use. Sit and discuss their online life on a regular basis. Show interest in their online communities and friends. React constructively when inappropriate material is encountered. Expand your children's online experience and their autonomy when developmentally appropriate. Help them develop safe and secure online behavior and good decision making. Be a good role model.

TEACH CRITICAL THINKING

Help your children identify safe, credible web sites and digital content. Teach them to be cautious before clicking on, downloading, posting, and uploading content.

EMPOWER & ENCOURAGE YOUR CHILDREN

Work with your children to develop strategies such as bullying, unwanted digital contact, or hurtful comments. When problems arise, develop strategies of talking to a trusted adult, non-retaliation, calmly resolving with the person, blocking the person, or filing a complaint. Encourage children to help other friends if they are making poor choices or being harmed. If your child's behavior changes, be alert for reasons why.

REVIEW PRIVACY SETTINGS

Check the privacy settings available on the social networking sites and devices your children use. Decide together which setting to use in order to provide the proper amount of protection for your child.

A Few statistics about Teen and Social Media

- 90% of teens have used some form of social media
- 75% of teen report having a profile on a social networking site
- 87% of youth have reported witnessing cyber-bullying based on appearance, race, religion, or sexual identity
- 49% of youth report regretting something they have posted
- In 2013, 8% of 16-24 year-olds reported being rejected for a job based on pictures or comments on their social media accounts

Cranberry Christmas Cake

Ingredients

3 eggs
2 cups sugar
 $\frac{3}{4}$ cup butter, softened
1 teaspoon vanilla
2 cups flour
12 ounces fresh cranberries

Photo by **Judy T.**

Directions

Preheat oven to 350°F. With a mixer, beat the eggs with the sugar until slightly thickened and light in color, about 5-7 minutes. The mixture should almost double in size. The eggs work as your leavening agent in this recipe, so do not skip this step. This mixture should form a ribbon when you lift the beaters out of the bowl. Add the butter and vanilla; mix two more minutes. Stir in the flour until just combined. Add the cranberries and stir to mix throughout. Spread in a buttered 9x13-inch pan. Bake for 40-50 minutes, or until very lightly browned and a toothpick inserted near the center of the cake comes out clean. (I baked mine for 43 minutes.) Let cool completely before cutting into small slices. I cut mine into fairly small pieces, about 1x 2-inches, so that they could be easily eaten at a party. Enjoy!
